

# “How To....” Guide for your Flat White Website

## Edit your Contact Page

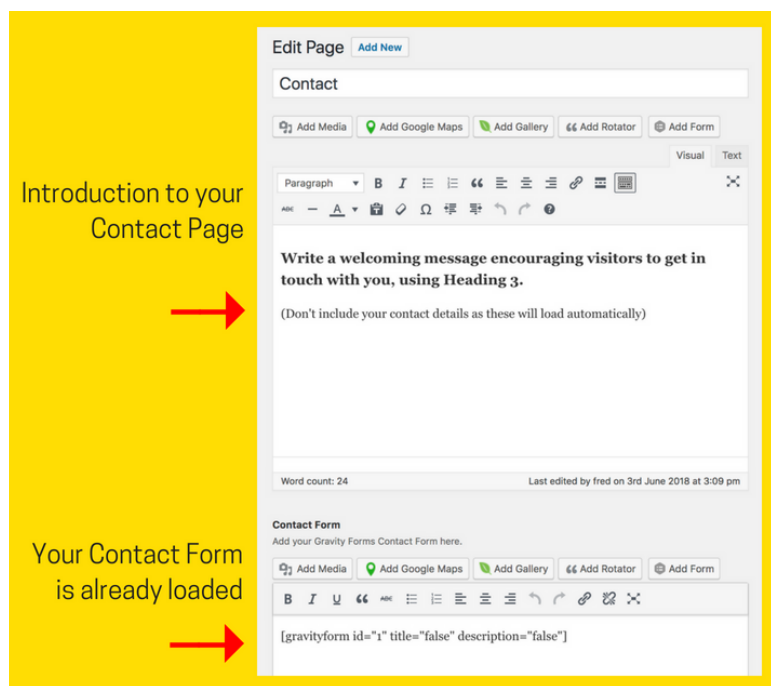

Your website is already set up with a Contact Page.

You can edit the content of this by clicking on the Contact Page within the WordPress Dashboard:

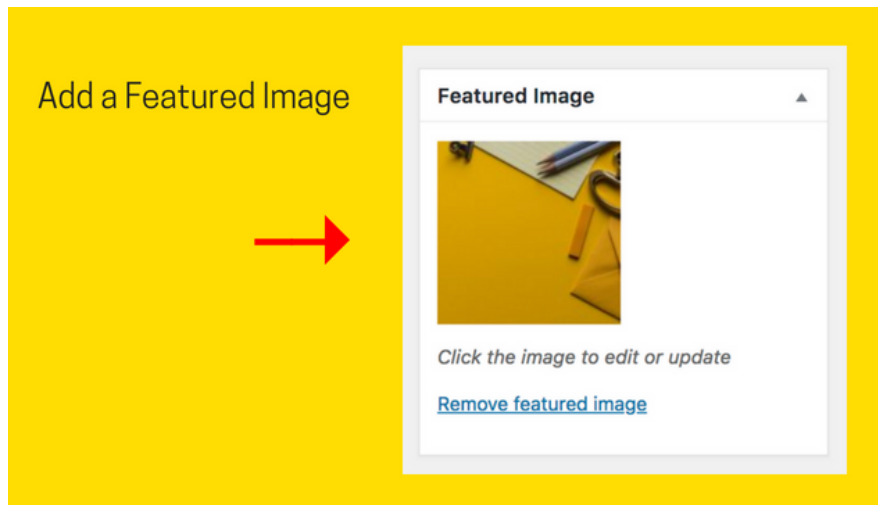

## Edit the Welcome message

You can edit the Welcome Message within the Contact Page:

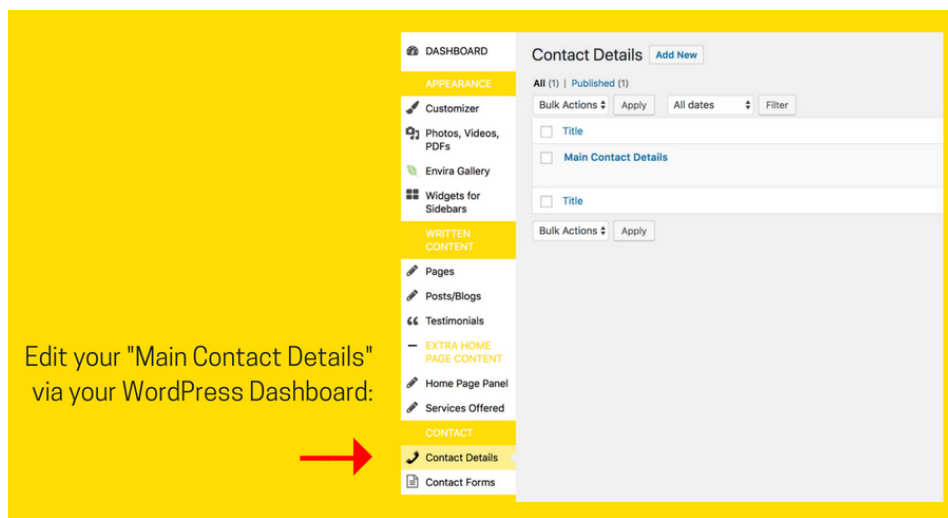

## Editing a Featured Image

You can edit the Featured Image in the right hand column – this shows up as the Background Image for your Contact Page:

## Editing Contact Details

Your Contact Details are loaded across your website, not just on your Contact Page. To edit these details, go to "Contact Details" in the WordPress Dashboard, and click on "Main Contact Details":

You can then edit all of your Contact Details here, and these will be updated across your website:
